#### I-93 Fast 14 Project - Summer Traffic Alert

This summer, MassDOT will replace fourteen bridge superstructures on I-93 in Medford over weekends in June, July and August (except for the 4th of July weekend). This will avoid impacts on weekday rush-hour traffic.

Plan ahead for weekend travel. Visit [www.mass.gov/massdot/93fast14](http://www.mass.gov/massdot/93fast14) for more information and weekly construction updates.
